

SECRETARY OF THE SENATE

May 19, 2015

Honorable Julie E. Adams
Secretary of the Senate
Washington, DC 20510

Dear Ms. Adams:

In the process of preparing my annual financial disclosure report for calendar year 2014, I have identified previously unreported spousal assets and financial transactions. These items are listed on the attached spreadsheets. I request that this information be included with my previous filings so that a complete and accurate accounting of these holdings is on record.

The omission of this information in previous filings is a regrettable error. I provide my assurance that the oversight was inadvertent and appreciate your assistance with the amending of the relevant reports.

Thank you.

Sincerely,

Tom Carper
United States Senator

000000001421

Senator Thomas R. Carper
