### AGREEMENT

It is agreed between the firm and the customer:

- That all transactions are subject to the rules and regulations of the Federal Reserve Board and customs of the Exchange or Market and its Clearing House if any, where executed.
- That all securities from time to time carried in the customer's open account, or deposited to protect the same may be loaned or pledged by the broker either separately or with other securities of other customers in respect of a sum, not in excess of the aggregate indebtedness of such customers in respect of such securities.
- That delivery of securities sold and payment for securities bought must be received by us at our office not later than the "Settlement Date," otherwise interest charges, additional taxes and premiums are chargeable. Pending full payment on purchases we may hypothecate and commingle with other securities so purchased until as soon as practicable after receipt of payment.
- That the agreement shall inure to the benefit of any successors of this firm which result merely by withdrawals from or additions to existing firm personnel, where the customer does not indicate his nonacquiescence in such agreement.
- In some cases Stephens receives payment for directing orders to particular broker/dealers or market centers for execution. When such payment is received it is considered compensation to Stephens and the source and amount of any such compensation in connection with your transaction will be disclosed upon written request.
- There may be, under some circumstances, an additional charge for odd-lot executions in the form of a differential of up to 25 cents per share. Amount will be furnished upon request.
- In the event of a call of callable bonds or preferred stock held in bulk segregation, impartial lotteries are used by the depository and Stephens to apportion the bonds. Uncalled fully paid securities may be withdrawn prior to call unless prohibited by regulations. Details available upon request.
- If bonds have been delivered to you, we assume no responsibility for notification of redemption prior to maturity but will make every effort to alert you when call information becomes known.
- Callable Securities: Call features may exist which could affect yield. Complete information available on request.
- All mutual funds are sold by prospectus. Confirmation is acknowledgment of receipt of the prospectus. You may be eligible for breakpoint discounts based on the size of your purchase, current holdings or future purchases. The sales charge you paid may differ slightly from the Prospectus disclosed rate due to rounding calculations. Please refer to the Prospectus Statement of Additional Information or contact your financial advisor for further information. We may receive payments as an Executing Broker from the fund.
- Additional information concerning the security will be provided upon request. A copy of the final official statement for the issue, if prepared, is available if requested within one year of the date of the transaction.
- CHG's - yields are subject to fluctuation depending on the speed in which the underlying note or receivable prepays. Specific information is available upon written request.
- If we acted as agent, name of person with whom the transaction was made and amount of any other remuneration received by us will be furnished upon written request.
- Zero coupon bonds - No periodic payments - Callable below maturity value without prior notice by mail to holder unless registered.
- For advisory accounts, written consent for agency cross transactions may be revoked at any time by written consent to us or advisory affiliate.
- SUBJECT TO US TREASURY OR AGENCY DEBT AND AGENCY MBS CHARGE TRADING PRACTICE PUBLISHED BY TMPC AND SIFMA AT <http://www.sifma.org/press/standards/agency-debt-and-agency-mbs-charge-trading-practice/>
- Agency Cross Transaction consent may be revoked at any time by written notice to Stephens

Adjusted Options - When standardized options are adjusted as a result of corporate transactions such as stock dividends or stock splits, the number of shares deliverable upon exercise of the option may be adjusted and the option exercise price, expressed as a price per share of the shares subject to the option may also be adjusted as described in the Options Clearing Corporation Brochure, entitled Characteristics and Risks of Standardized Options as amended ("Brochure"). The configurations provided for transactions in standardized options that have been affected by such adjustments will disclose, adjacent to the abbreviation "DEL," the adjusted number of shares deliverable upon exercise of such option, and will disclose adjacent to the abbreviation "EASIP," the estimated adjusted strike price, expressed as a price per share, for the shares subject to the option, all calculated in accordance with the descriptions set forth in the Brochure.

Investment services and products are NOT FDIC insured, are NOT obligations of, or guaranteed by any bank and are subject to LBOSS of the principal financial institution. Certain broker-dealer conflicts of interest will be also subject to disclosure risks.

Associated securities subject to prepayment actual yield may vary according to rate of interest. Underlying securities of other financial assets are subject to fluctuations in value and actual yield including a minimum estimated yield, weighted average life and the prepayment actual yield, all furnished upon written request.
