Secretary of the U.S. Senate
Office of Public Records
Washington, DC 20510

Dear Secretary Adams,

I am writing in regard to my responsibility as a Senate Member to file public Financial Disclosure Reports with the Secretary of the Senate, Office of Public Records. It has come to my attention an asset was not reported in my Annual Report for calendar years 2015 – 2017 and should have been reported. This error was made unknowingly. Specifically, the account is an employee sponsored 401(k) owned by my spouse. The account was established in January 2015.

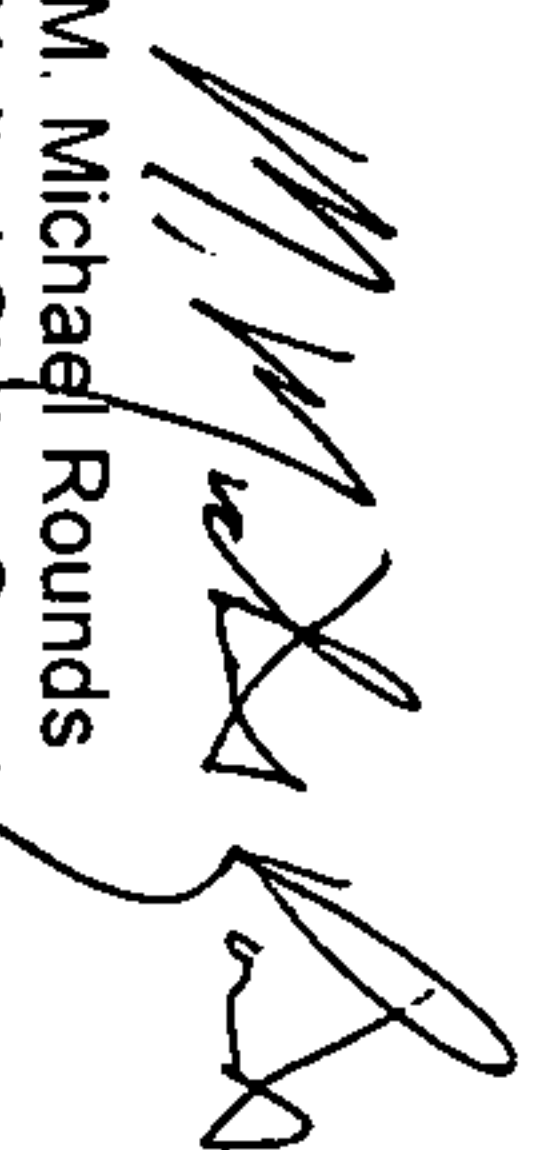

In 2015 the account only held the asset fund Transamerica Partners Stock Index Ret Opt and the year-end valuation was between \$1,001 - \$15,000.

In 2016 the account only held the asset fund Transamerica Partners Stock Index Ret Opt and the year-end valuation in 2016 was between \$15,001 - \$50,000.

In 2017 the account only held the asset fund Transamerica Partners Stock Index Ret Opt and the year-end valuation in 2017 was between \$15,001 - \$50,000.

This asset did not trigger any Part 4b transaction requirements during the reporting years. There was also no realized taxable income for this account during the years in question. Please let me know if you have any questions.

Sincerely,

M. Michael Rounds
United States Senator
