Reference: Clarifications of Periodic Transaction Reports

Dear Secretary Erickson:

In preparing my 2013 Disclosure Statement, it came to my attention that I should clarify information that was included in two preference Periodic Transaction Reports.

On February 13, 2013, I filed a report in regards to the Sale of a Montgomery County, Md. Bond by the Meyer M. Cardin Trust. The reference should have been to a Montgomery County, Md. Housing Bond. Since this was a maturity of a previously reported bond, I understand that I didn't need to file a Periodic Transaction Report, but I wanted to make sure that the public record is correct.

On April 15, 2014, I filed a Periodic Transaction Report on the purchase of two Israel Bonds, one by my IRA and one by my spouse's IRA. I understand that I should have included the interest rate and maturity date. For each Bond, the interest rate is 1.83% and the maturity date is 2/1/17

I appreciate the opportunity to make these clarifications.

Very truly yours,

Benjamin L. Cardin

U.S. Senator, Maryland
