The Honorable Julie E. Adams Secretary of the Senate United States Senate Washington, DC 20510

Dear Ms. Adams:

Since my election to the Senate in 2012, I have consulted with the Select Committee on Ethics each year before filing my Financial Disclosure Report. This year, the Committee recommended that my Wisconsin state pension plan, which has been disclosed each year on Part 3 (Assets) of the report, be reported on Part 9 (Agreements) in addition to Part 3. Consistent with this guidance, I have added the pension plan to both parts of this year's report. This letter serves to additionally add the pension plan to Part 9 of my CY 2012-2015 reports, as follows:
